

Cherokee Trail Band Auditions 2022-2023 Drumline

Greetings Band Students and Parents,

Thank you for your interest in being a part of the Drumline at Cherokee Trail High School. The Drumline performs at many events throughout the year including sporting events, pep assemblies, and out in the community. The Drumline is a part of the CT Pep Band and a standalone performance ensemble. Drumline is not a class so all of the practices and performances are outside of the school day. Members of the drumline are committing to being a part of the ensemble at all rehearsals and performances for the 22-23 school year. Drumline is open to any student whether you are enrolled in a band class or not. It is not required that your primary instrument be percussion.

Audition Materials: Since there are limited spots available for the drumline, auditions for all spots are necessary. We will be accepting a total of 12 students. (3 Snare, 2 Quints, 5 Bass Drum, and 2 Cymbal). Please audition for the part you are most interested in. If you are not selected for your first choice of instruments, you might be offered a slot on one of your secondary instrument choices. You are welcome to audition on more than one part. A reference recording of the excerpt is available at ctband.org or on Schoology.

Auditions will be held in the Cherokee Trail High School Band Room.

- Current CT students will audition during their current class time or off period.
- Students new to CT will audition on May 2nd. Signup for an audition at ctband.org

Please contact me with any questions about the audition process or the music program at Cherokee Trail.
